Did you know you can get all your health checks at the CFC?

The CFC is helping to deliver better health on Palm Island by offering another choice for locals. With local doctors and all appointments bulk billed (meaning it's free) make sure you, your friends and family visit to CFC to access your health requirements.

In addition to our local doctors, the CFC health services has a registered nurse, Indigenous health workers and all appointments are confidential.

The CFC offers:

- General health checks,
 - Chronic disease plans,
 - Eye checks,
 - Blood tests,
 - Counseling services,
 - Referrals,
- and much more. So visit the CFC because it's your health service...
